At this point in the schedule, there are three games left to be played within the regular season. Because another complete round cannot be played, each team will be given a new team number, "R", based on league standings as of June 23. In the case of a tie in the standings to determine the "R" number, the following criteria will be used: 1) head to head competition, 2) fewest runs allowed versus the team(s) tied with, 3) flip of a coin. For example, if a team is in third place going into the June 25 games, the team will now be 3R for the remainder of the season. These ranking games are still part of the regular season.
