At this point in your schedule we are going to divide your league into two divisions. The top six teams in the league standings after June 13 will be placed in the Tiger Division and will be assigned a team number of 1T through 6T. The remaining six teams will be placed in the Husky Division and will be assigned a team number of 1H through 6H.

In the case of a tie in the standings to determine the "T/H" number, the following criteria will be used: 1) head to head competition, 2) fewest runs allowed versus the team(s) tied with, 3) flip of a coin. For example, if a team is in third place going into the June 15 games, the team will now be 3T for the remainder of the season.

These ranking games are still part of the regular season. The team number that you are assigned will be your team number for the remainder of the season. The two divisions will each receive awards for first and second place and will have their own separate post season tournament.
