You will be scheduled 1 practice time per week. Please list at least two options for each day, each time and each field on your request form.

Because of a shortage of weeknight practice times coaches are encouraged to consider a Friday or Sunday practice. In addition, if you can take the 3:45 practice time it will assist us with the weeknight field shortage. Your help with this is greatly appreciated.

All 1st grade teams will be given an additional machine pitch practice on Saturday, May 1, 8, 15 & 29. Times and locations for these practices will be assigned by the BVRC.
