Teams scheduled on the BVHS West Field will not be able to start using that field until the week of May 24. These teams will be assigned an alternative practice field until the high school fields become available.

You will be scheduled 1 practice time per week. Please list at least two options for each day, each time and each field on your request form.

Because of a shortage of weeknight practice times coaches are encouraged to consider a Friday or Sunday practice. In addition, if you can take the 3:45 practice time it will assist us with the weeknight field shortage. Your help with this is greatly appreciated.

All Kindergarten teams will be given additional practices on Saturday, May 1, 8, 15 & 29. These practices will be located at a school field in your area. Times for these practices will be assigned by the BVRC.
