

Blue Valley Recreation Baseball/Softball Rescheduling Policy (2nd-8th grade)

The following rescheduling policy has been implemented for the 2010 season. All coaches are required to adhere to this policy.

Pre-Schedule Conflicts

In order to accommodate any scheduling conflicts prior to the completion of the game schedules, request for conflicts involving school or non-school activities must be turned into the BVRC by **Friday, April 2 at 4:30pm**. All requests must be made on the **Pre-Season Schedule Conflict Form**. Coaches should speak with their team prior to April 2 to determine any possible scheduling conflicts.

- Consideration to reschedule will only be given only if the majority of the team is affected.
- Requests will be limited to a maximum of one or two per team.
- A request for a long period of time (i.e. one week) is not guaranteed to be fully accommodated.
- A request made during a critical time (i.e. the post season tournament) will not be accepted.
- All requests will be reviewed and acted upon by staff and the Baseball Advisory Council.

Post Schedule Conflicts

A request to reschedule a game after April 2 will not be administered by the BVRC. If a coach wants to reschedule a game he has until May 12 to obtain and complete a **Game Reschedule Form** from the BVRC. This form will give the coach some options on possible dates to reschedule the game. The coach will be required to handle all discussions with other coaches/teams that are involved in the reschedule.

- Reschedule requests must be submitted and approved by BVRC staff 3 days prior to the scheduled date of the game.
- Coaches will be limited to one reschedule per season.
- New requests will not be accepted after May 12.
- Teams must have less than 8 available players to make a request to reschedule a game
- The BVRC has final approval on any potential reschedules.
