

4th Grade Placement Games
Saturday, March 31st, 2012

The objective of the league placement games is to assist BVRC staff and the Baseball Advisory Council in determining the correct league placement for all 4th grade teams. The results of these games along with coach evaluations, league evaluations and coach recommendations will determine which league you will be placed in. The BVRC will work with coaches to place teams in the appropriate divisions, but the final decision will be the responsibility of BVRC staff and the Baseball Advisory Council.

Each coach will be given an evaluation form for each of their two games and a final league recommendation form that should be completed and turned in following your last game.
