

Game Schedule Policies Grades 1 & 2

The following game scheduled policies have been implemented for the 2009-10 season. All coaches are required to adhere to these policies.

Guidelines

1. Coaches should notify the appropriate coordinator regarding conflicts on game weekends. **This must be turned in to BVRC by Tuesday, November 24.** We will make every effort to avoid direct conflicts with the times listed on the form. Any request turned in after this date will not be accepted. We want to know of any conflicts that you may have before we make the schedule (i.e. five of your players have an obligation on December 12 at 5:00pm; you should request to play a morning game.) This request will require you to do some research with your players and their schedules before November 24.
2. Rescheduling requests should include a detailed explanation of the conflict, how many players are affected, the date and time of the conflict and a game time that would work better.
3. Consideration to reschedule will be given only if the majority of the team is affected and a forfeit situation is a concern.
4. Requests will be limited to a maximum of one per team.
5. **All teams are required to play the designated 6 weekends. No team shall receive an open weekend.** Only the game time may be requested.
6. **All rescheduling requests must be made in writing by November 24, 2009.**
7. **Once the schedule has been posted, coaches will not be allowed to reschedule games.**
