Rainout/Contact Information

Back Cover
The following rules, supplemented by the U.S.A. 2020 Official Rules of Softball, shall govern play and conduct of players and team officials in all league games. These rules have as their basis the development and teaching of good sportsmanship and fair play.

**SECTION 1**
**BASIC RULES FOR ALL GRADES**

**Rule 1. SPORTSMANSHIP**

A. There will be a zero-tolerance policy on swearing for all players, coaches, and fans.

B. Sportsmanship shall be the top priority observed by all coaches, players, parents, and spectators. The umpires and staff have complete authority to enforce good sportsmanship.

C. Head coaches will be responsible for the conduct of their assistant coaches, players, and fans.

D. Chatter/chanting of any kind must be positive in nature and may **not** be directed at an opposing individual or team.
E. Alcohol and tobacco is not allowed on the premises during youth play. Coaches may not use tobacco on the field or in the dugout.

Rule 2. INTERACTION WITH UMPIRES
A. Coaches are not allowed to discuss a judgment call with an umpire. Any discussion of a judgment call may be grounds for an immediate ejection.
B. A short discussion with an umpire regarding a rule clarification is acceptable. The coach must request a timeout to ask the umpire for clarification. This must be done in a professional manner.
   1. If the coach does not agree with the umpire’s rule clarification, the coach may request the field supervisor’s rule clarification.
C. Head coaches are responsible for the actions of their assistants, players, and fans.
D. Harassment of umpires by anyone will not be tolerated and will be cause for immediate ejection.

Rule 3. SCOREKEEPING
A. The home team scorekeeper will be the official scorekeeper and must record the official game time at the beginning of each game (the home plate umpire will inform the scorekeeper). Periodically, the scorekeepers from both teams should confer with one another and the umpire. The official team
scorekeeper works for the umpire and not the home team. In the case of a suspended game the official scorekeeper must record the time the game was stopped, batter and count, names and locations of all base runners, etc. This information should be recorded on the game card and placed in the designated game card box near the concession stand or given to field staff. If there is a scoreboard available for use, the visiting team will be required to provide a parent to run the scoreboard. The scoreboard is not official.

B. Grades 4-8: Following the game and before leaving the complex, the home team coach must turn in the completed game card to the umpire or field supervisor.

C. Grades 4-8: Score will be kept for league standings. The top two teams in each division will receive trophies.

D. Grades PreK-3: Score will be kept but league standings will not.

Rule 4. FORFEITS – Grades 2-8
A. A team cannot play with less than 7 players.
B. When the umpire calls “play ball,” the team in the field must have 7 players. The team batting must have 7 players by the time they reach the 7th spot in the batting order or when they must take the field. Teams, on a forfeit, may divide and play but must
stop 15 minutes prior to the next scheduled game. The umpires will still officiate the game.

Rule 5. SUBSTITUTIONS AND NUMBER OF PLAYERS
A. There will be unlimited substitutions.
B. No player may sit out 2 consecutive defensive innings.
C. Grades Number of players
   Grades PreK-5 10 (6 infielders & 4 outfielders)

The umpire and official scorekeeper will then note the protest in the official scorebook. In addition, a written protest must then be filed by the protesting coach immediately after the game on the proper form available from a field supervisor. If a protest occurs regarding the last play of the game or player eligibility the manager will be given 24 hours to protest the game.

b. If the score of the game is 6 runs or less, the inning may continue for a maximum of 20 minutes in an attempt to determine a winner. **The final decision to suspend any game must be made by a BVRC field supervisor, not the umpires.**
c. Tiebreaker rule: If the game is tied after all innings have been completed (or at the time limit), the tie-breaker rule will go into effect. At the start of each half inning each team will put the batter who completed the last at bat in the previous inning on second base and start with one out. Only one inning will be played using the tie-breaker rule. After one inning if the game is still tied it will be counted as a tie in the standings.

4. Three innings will be considered a complete game. If a game is stopped before 3 innings because of weather or darkness, when the game is resumed the remaining time limit will be in effect.

   c. Tiebreaker rule: If the game is tied after all innings have been completed (or at the time limit), the tie-breaker rule will go into effect. At the start of each half inning each team will put the batter who completed the last at bat in the previous inning on second base and start with one out. Only one inning will be played using the tie-breaker
rule. After one inning if the game is still tied it will be counted as a tie in the standings.

4. Four innings will be considered a complete game. If a game is stopped before 4 innings because of weather or darkness, when the game is resumed, the remaining time limit will be in effect.

If the batter hits a foul ball on their last pitch from the coach the batter shall be given an additional pitch. (i.e., an at bat can never end on a foul ball that is not caught.) Once the batter has put the ball in play or been declared out the player pitcher will resume pitching to the next batter and the coach will return to the dugout.

Batters will be given first base only if hit by a player pitcher.
